## Care Assistant Apprentice

**Role –**

**Closing Date – Monday 4th October 2021**

This role will work across our services to help support our staff to deliver front line services which support the independence of the person, support and maintain safety in the environment, and enable people to achieve their full potential in living independently. We are looking for someone interested in a rewarding career, who can add value to other people's lives.

### Principal Job Purpose

- You will work with our staff to support service users and carry out personal care tasks, as specified in the care plan.
- You will work to support and enhance the independence of the Service User, demonstrating respect, dignity and value.
- You will remain vigilant for signs of distress or anxiety, any deterioration in physical and/or mental health and report these.
- You will learn about how our services are run and contribute to making sure they go to plan and what to do if they don't.
- You will share best practice with your peers to suggest ways of providing best practice support.
- Attend to personal tasks, such as supporting Service Users in/out of bed, eating, drinking, dressing etc.

- Support with domestic tasks such as maintaining the cleanliness of their homes, preparing meals etc.
- Actively encourage Service Users, dependent on capabilities to participate in Social Activities.
- Assist management to maintain good relationships with those involved as part of the care package.
- Work in line with the Service Users Care Package, and domiciliary standards specified by Social Care Wales.
- We provide support to our services users 24/7, and our staff work a shift pattern.
